## SHORT'S TRAVEL MANAGEMENT (STM) HOTEL RATE CHECKING

Promote advance bookings  
and lower your hotel costs  
without disrupting your  
travelers

### UP TO 10% OF RATES IMPROVED, AT \$30 AVERAGE SAVINGS PER NIGHT

Whether you book through STO, Concur, or an agent, we will automatically capture 100% of your GDS hotel bookings, shop daily for better rates, notify you when savings are found at the same hotel, and rebook automatically.

#### HOW IT WORKS

- 1** Capture GDS & Direct Hotel Bookings
- 2** Establish Same Hotel Search
- 3** Shop Selected Rates Daily
- 4** Notify When Savings Are Found
- 5** Rebook Automatically

#### KEY BENEFITS

##### Significant Savings

Save \$30 or more per night on approximately 10% of your bookings.

##### Effortless for Travelers

Travelers book hotel stay normally. Rate checking is performed daily, rebooking is automatic and travelers are notified when savings are found.

##### Same Hotel Only

Better rates will be booked at the same hotel only. Travelers will not be surprised or disappointed by being rebooked at a different hotel.

##### Reporting

Detailed online reporting to justify participation and GDPR ready.

##### Peace of Mind for Travel Managers

Rest easy knowing that your travel program is not overpaying for hotel bookings.
